Subject: Recognition as an Inventory of Hazardous Material (IHM) Company

Varuna Marine Services is recognized by the Republic of the Marshall Islands (RMI) Maritime Administrator ("the Administrator") as an IHM Company in accordance with MN 2-011-56. The Administrator has deemed the IHM Company as qualified to provide the following IHM services pertaining to and aboard vessels registered in the RMI:

Table with 3 columns: YES, NO, Scope of Services. Rows include: collecting the necessary information; analysing and defining the assessment scope; preparing Visual Sampling Check Plans; conducting onboard sampling; laboratory analysis; and preparing IHM part I.

The following conditions must be met:

- 1. All work is carried out according to the Hong Kong Convention and EU SRR, as applicable.
2. All work is conducted according to any stipulations conveyed in the Recognized Organization's certification of the company.
3. All reports pertaining to an IHM, Part I include the credentials of IHM expert personnel and certification of the independent laboratories being employed.
4. No payments of money or anything of value or any other advantage will be offered, promised, or given, directly or indirectly, to any domestic or foreign government official or to another person upon the official's request or with the official's assent or acquiescence intending to obtain or retain business or an advantage in the conduct of business; further, Expert Company warrants that it will not offer to, promise to, or perform improperly any of its functions pursuant to this Recognition in exchange for payment of money or anything

of value or any other advantage, nor will it offer money or anything of value or any other advantage in exchange for, or as an award for, the improper performance of another individual or entity.

5. No IHM Services performed in connection with this Recognition will be provided to vessels located in, or which IHM Company have actual notice that are *en route to*, a nation or region subject to comprehensive economic sanctions contrary to United States (U.S.), United Nations (U.N.) or other applicable local law.

This recognition is valid for one year, until 9 May 2023, provided that the company maintains a Recognized Organization's approval as an IHM service supplier (attached). The Administrator reserves the right to withdraw its recognition as it solely deems appropriate, including for non-performance, mis-performance, or expiration of the underlying certificate.
